SECOND HOMEWORK SET

The homework is due in class next Thursday, the 28th of February

I want you to do

- 1. A sentence that says "I did read the posted materials on linear sets of ODEs (or the equivalent from whatever your undergrad ODE book was !)"
- **2**. Exercise 7.8.5 from the posted materials
- 3. Exercise 3.7.4 from the book (a nice long one, along the lines of what we did on the board).
